STATE AGENCY ASSISTANCE

Inspector General Staff Attorney Kristi Shute, after assistance by Special Agent Darrell Boehmer, reports as follows:

This report addresses the assistance given by the Office of the Inspector General (“OIG”) to an investigation by another state agency investigative unit. Similar to other law enforcement agencies, the OIG assists such agency units upon request.

The OIG is a statutory law enforcement agency. IC 35-41-1-17. It is charged to assist and supervise state investigations. IC 4-2-7-3(1).

This case involved a request from another state agency investigative unit needing cellular telephone records. A request was made to the OIG for a subpoena for cellular telephone records in reference to an internal investigation regarding theft.

The case involved a state employee allegedly using a stolen cellular telephone. A subpoena was issued to the cellular telephone company and the

records were provided to the state agency investigative unit.

Since assistance has been provided and no additional support has been requested, this case is closed but will be monitored for future activity.

Dated this 29th day of March, 2012.
